**ORDER DETERMINING WHISTLEBLOWER AWARD CLAIM**

The Claims Review Staff (“CRS”) issued a Preliminary Determination recommending that <sup>Redacted</sup> (“Claimant”) receive a whistleblower award of <sup>\*\*\*</sup> percent (<sup>\*\*\*</sup> %) of the amounts collected, or to be collected, in the above-referenced Covered Action (“Covered Action”), equal to a current payment of more than \$40,000.

The recommendation of the CRS is adopted. The record demonstrates that Claimant voluntarily provided original information to the Commission and that this original information led to the successful enforcement of the Covered Action.<sup>1</sup>

We also have determined to exercise our discretionary authority under Section 36(a) of the Securities Exchange Act of 1934 (“Exchange Act”) to waive Claimant’s failure to comply with Exchange Act Rule 21F-9(b). While Claimant submitted a tip through the Commission’s on-line TCR portal, thus satisfying Rule 21F-9(a), Claimant did not submit the whistleblower declaration as required under Rule 21F-9(b). However, we believe a waiver in this matter is appropriate because Claimant, who was unrepresented, is otherwise meritorious as he/she voluntarily provided original information to the Commission that led to the success of the Covered Action.<sup>2</sup>

In coming to this conclusion, the Commission considered that Claimant, along with others, provided significant information alerting Enforcement staff to the potential violations prompting the opening of the investigation, and thereafter provided helpful assistance, including communicating with Commission staff.

Accordingly, it is hereby ORDERED that Claimant shall receive an award of \*\*\* percent ( \*\*\* %) of the monetary sanctions collected, or to be collected, in the Covered Action.

By the Commission.
